Cross Walks

The Borough has contracted with a local municipality to have new cross walks painted on the Borough square. Each surrounding main street will be provided with a cross walk as well as the north and south cross walks from Berlin and Baltimore street to the circle. Walks are not going to be painted heading east or west from the circle as not all walkways meet with sidewalk and could cause pedestrian accidents.

Spring Fever

As the warmth approaches please trim back brush, clear debris and burn only on Tuesdays and Saturdays as per the Borough Codification. If a burn ban occurs yellow signs will be placed on the outskirts of town on all four roads, and the Fire Company will be notified. Please make note to apply for permits for construction and renovation as necessary from Wayne Smith our Zoning Officer in the Spring Grove Office 225-0650
