BEACON LODGE WORK WEEKEND

The Annual District 14-C Spring Work Weekend will be held on April 11, 12, and 13, 2014. Come and join us for work, fun, fellowship and contribute to your LIONS CAMP. The purpose of this activity is to ready the camp for the coming camping season.

Beacon Lodge will provide meals and lodging along with bedding for the weekend. All that you need to provide are work clothing, work gloves, washcloth and your personal items. Plan to arrive Friday evening, April 11th, or by 7:00 AM on Saturday, April 12th. We will work until lunch on Sunday and leave for home after lunch.

As always, the accomplishment of this activity depends on Lions willing to give their time and efforts. I encourage the Lions to participate in this important service activity.

It is very important that the staff at the camp know how many will be attending so that they can order sufficient food and prepare accommodations. **They need to know the exact number to expect. Please call me by April 1, 2014.**

Do not hesitate to contact me if you have any questions. My phone number is 717-650-2966 and my email is lklbjb@comcast.net. **This weekend will be limited to the first 40 Lions who register. To register please call me so I can notify the camp the numbers attending this service project. PLEASE DO NOT CALL THE CAMP!!!**

2014-15 Peace Poster Contest: Peace, Love and Understanding

The new theme for the 27th Annual Lions International Peace Poster Contest is Peace, Love and Understanding. To sponsor a Peace Poster Contest for children in your community,

order a Peace Poster kit through Club Supplies (Item Search: Peace Poster Kit) or download the Order Form. The kit includes the official guide and rules, participant flyer, certificates and more. The contest is a great way to engage youth in your community and encourage children to express their thoughts on peace through art. Visit the LCI website for more information.

Plan a Hearing Project for International Ear Care Day

Hearing loss is the primary sensory disability worldwide. According to the World Health Organization, over 360 million people live with disabling hearing loss, and 32 million are children. On March 3, the World Health Organization's International Ear Care Day provides an opportunity to raise awareness and carry out community-based activities for promoting ear and hearing care. Consider collaborating with your Lions hearing foundation, hearing professionals, your country's association for audiology, and local schools to provide hearing screenings for youth and adults. Arrange a presentation about preventing hearing loss from excess noise, or provide a hearing aid to someone in need. Visit the Hearing Program pages on our website for more information.
