The Junior Council Person Program

The Junior Council Person (JCP) Program is an outstanding opportunity to get the youth of the boroughs to participate in the governing process of their own communities. The Jefferson Borough Council would like to extend an invitation to any local Junior or Senior High School Student(s) that would like the opportunity to learn first hand the governing process. Any student who would like to participate should write a letter of interest to the borough council. Questions may be directed to the borough office.

**A special thanks goes out to the *JEFFERSON VOLUNTEER FIRE COMPANY* for their ongoing service to our community and a job well done. In order for them to maintain and continue to offer our community with emergency services, it is necessary for them to rely on our donations and support. Please make a contribution to your fire company and help the Jefferson Fire Company to continue to serve our community. If you have any question please call the fire hall at 717-229-2643. Contributions may be sent to:
P.O. Box 3, Codorus, PA 17311.**

JEFFERSON BOROUGH SQUARE UPDATE...

We continue to await the finishing of details for our cannon and World War I gun. Some of the items yet to complete are the small fencing to surround the cement platforms and work on the plaques to acknowledge those who donated to bring the cannon project to fruition. Planning for the plaque for the Borough Square and indoor posting at the borough building, continue as we try to find the proper manner to demonstrate our appreciation to those who have funded this endeavor. We are gratefully accepting contributions. Call the Borough Office for details. We are also selling commemorative wooden coins to help fund our 150th anniversary celebration in 2016. Each set can be purchased for \$2.00 or three sets for \$5.00. The coins may be purchased at *Peoples Bank, Baugher Motors* or the *Jefferson Borough Office*. *The best part of living in Jefferson Borough is being an active member of the community. More opportunities await as we move toward 2016.*

Refuse Collection

Penn Waste is now accepting cartons as a part of the recycling. Cartons are defined as a type of packaging that food and beverage products come in that you can purchase at the store. Cartons come in two forms—shelf-stable and refrigerated. Shelf-stable cartons contain food and beverage products such as soy milk, soup, broth and wine. Refrigerated cartons contain food and beverage products such as milk, orange juice, cream, egg substitutes and any other type of product that would need to be kept cold. Here are some tips to ensure that your cartons are ready to be placed in your recycling bin:

- ◆ Remove any caps or straws
 - ◆ Make sure the carton is empty
 - ◆ Rinse out the carton if possible
