A BIG THANK YOU TO COUNCIL PRESIDENT MARLYN STAUFFER

We would like to give a big thank you to Marlyn Stauffer, who resigned from council at the end of September, 2018. Marlyn served 26 years on borough council and prior to that he was the borough code enforcement officer and served on the borough planning commission. The last 13 years he has been the borough president and has spent a lot of his time taking care of borough business. His abundance of knowledge and commitment to the borough will be missed but we wish him the best in his ongoing endeavors.

WELCOME DANIEL KAUFFMAN - NEW COUNCIL MEMBER

We would like to announce and welcome Daniel Kauffman as our new council member. He was appointed at the regular council meeting on December 3, 2018. We look forward to working with him and appreciate his willingness to service the borough.

JEFFERSON BOROUGH PERMITS

We would like to remind our residents within the borough that permits are required if you are going to **erect, construct, enlarge, alter, repair, move, remove or demolish any building, structure, fencing, dwelling, or dwelling unit**. If you have any questions or concerns please contact our code enforcement officer before you start a project. We appreciate your cooperation and you may read about this Ordinance online in our Codification Book, Chapter 64-1 (www.jeffersonboro.net). Our Code Enforcement Officer is located at the Spring Grove Borough Office, 717-225-4791 ext. 4.

ACCIDENT ON CIRCLE

Traffic was disrupted for some time around the borough circle on Monday, January 21. A truck owned by Castlewood Tree Service from Timonium, Maryland, was pulling a trailer of logs headed north on Baltimore Street when the driver entered the circle traveling too fast which caused the vehicle to overturn. The vehicle landed on its driver side and the logs from the trailer fell out onto the borough circle. We are glad no one was injured and the damages to the circle are being repaired. Just a reminder for anyone that is in the area of the circle or driving around the circle, please be aware of the traffic and your surroundings and stay safe.

NEW EMERGENCY MANAGEMENT COORDINATOR

The Borough is sad to report the passing of Carlene Stough, our Emergency Management Coordinator. He has been our coordinator for quite a few years and did a great job for us. He will be missed by many and the dedicated service he gave to us. We have appointed a new coordinator, Dave Meiler, and appreciate his willingness to step into this position. We look forward to working with Dave in the future.

Personal checks will not be accepted after December 15, 2019, (Money Order or Cashiers Check only).
