## THE BOROUGH BASKETBALL COURT HAS BEEN RESURFACED AND LOOKS GREAT!

We want to remind everyone using the court there are some guidelines that are beneficial to preserving the court.

The use of the court is only intended for activities that will not damage the surface by using balls which are intended for bouncing like basketballs, tennis balls, soft rubber balls, etc. Footwear should have soft soles that are meant for athletic type activities, no cleats or hard sole shoes. Please do not use bicycles, tricycles, scooters or any type of device on wheels. These devices will damage the surface at a more rapid rate.

The cost of resurfacing the court was \$6500 and we hope that we will be able to take care of it with everyone's help so we all may continue to enjoy using it for a long time!

### H&H GENERAL EXCAVATING

660 Old Hanover Road  
Spring Grove, PA  
717-225-4669

Just a reminder from H&H General Excavating...If you are dropping off items at their mulch plant please remember they only accept tree and brush trimmings, and any kind of all natural wood.

They do not accept **bamboo, treated, stained, or painted wood, shingles, cement blocks, construction waste, or old furniture.** DO NOT BRING DIRT, GRASS, OR WEEDS.

A good policy to remember is: If you don't want it in your mulch, they can't use it at their plant.
